

# MONTHLY BULLETIN KARACHI POLICE

Karachi Police has launched a comprehensive campaign against the menace of Narcotics. Not only conventional but synthetic narcotic substances have been badly affecting the citizens of Karachi including youth. Much of street crime and other criminal activities in the city are associated with drug abuse. During September 2021 many successful operations against organised gangs involved in narcotics supply and distribution have resulted in several high profile arrests and huge recoveries. Karachi Police shall continue its drive against all such Narcotics seller gangs in the city. Citizens are urged to contact their nearest police station or call 15 if they come across any information related to Narcotics or criminal activities in the city.
